

## **MATHOURA BOWLING CLUB COMMUNICATIONS**

Club communications will be via:

- Text messaging for instant information like teams, greens information, game time changes etc.
- **Mathoura Bowlers Reports Facebook** page for results, photos and up-to-date information.
- The Mathoura & District Servicemen's Bowling Club website <https://mathourabowlingclub.com.au/bowls/>. This will be used for longer term information such as, but not limited to, calendar of events, governance, membership/contact info, pennant, over 60's, coaching, tournaments, history, photo gallery etc. A one stop place for all things bowling at Mathoura. This will be an ongoing process.
- Email for newsletters - as we gather more email addresses, this medium will be further utilised. For example AGM notices, Presentation Evening, Invitations etc.

Hard copies (paper) will also still be available on the noticeboard or distributed to those who are not tech savvy.
