

## MATHOURA BOWLING CLUB SOCIAL INFORMATION

### ***After Training BBQ***

There will be a BBQ every Thursday after training. This will be held in front of the club house under the veranda. A roster will be placed on the notice board asking for two volunteers each Thursday. Instructions will be placed alongside the roster. Drinks will be at 'happy hour' prices from the bar. Remember every beer purchased over the bar qualifies the club to receive rebates from CUB which in turn frees up money to be spent on bowls. The courtesy bus also runs on a Thursday.

### ***After the Game Get-Together***

It would be fantastic if everyone who is back at the club stays in the MAIN BAR to mix, have a drink and listen to match reports. It is strongly encouraged for all bowlers in attendance, (with wives, husbands, partners, friends, kids etc), to mix and socialise in a 'Bowlers Only' area set up in the main bar after the game until 6.30pm. Match reports, a free mystery raffle and 'Player of the Day' award will take place during this time.

### ***After the Game Match Reports***

Match reports will take place after the game at 6.15pm. We realise that not everyone will be in attendance (travel etc) but using technology available, we should be able to give a brief rundown of the day's events.

### ***After The Game Free Mystery Raffle***

As mentioned previously there will be 'Bowling Only' *MYSTERY RAFFLE* with a free ticket given to all bowlers present in the main bar (including husband, wives, partners, kids, friends) to be drawn between 6.00pm and 6.30pm after each game. You must be in attendance to win. And yes, when you are playing a long way away it might be difficult to be there on time!

### ***After the Game 'Player Of The Round' Award***

There will be a 'player of the round' award presented to a 'worthy' recipient!

### ***After the Game Bowlers' Raffle***

After the free raffle, another raffle will follow to raise money for the bowlers at 6.15pm to go inside with match reports, selling tickets to everyone. A roster will be developed around home games availability.

### ***After Game Social Events***

There will be two major social events for the year. One before the break and another after the break. Two nights of fun and frivolity for all!
